The History of Steephill

Steephill School was founded with a clear mission: to provide an outstanding education in a nurturing and stimulating environment. Our roots are grounded in the belief that children flourish when they are known, cared for and challenged to be the best version of themselves. We are proud of our long-standing heritage and small school community, where each child is seen and celebrated.

Steephill was the home of the Bignold family and the School was founded by Miss Eileen Bignold in 1935 when she came home from teaching as a governess abroad. Miss Bignold started with a few local children whose parents wished them to be taught privately and from teaching them in the sitting room, her School grew and flourished. It gained an excellent reputation for academic achievement and for being a caring, Christian school.

Following Miss Bignold's death in 1989, Steephill School became an educational trust and registered charity. This means that all monies are put back into improving the School and that no individual or group of individuals is making any financial gain from it. As legally required, Steephill School Education Trust makes an annual financial return both to Companies House and to the Charity Commission. An independent audit is carried out each year.

We are proud to be a small, nurturing school where every child is known, valued and encouraged to thrive. With your support, we can build a strong partnership that enables your child to achieve their full potential.

Together – school, parents and children – we are **Steephill**.

Our School Values – KIND

At Steephill, kindness is our overarching value, to treat others with care, respect and compassion in every interaction which underpins everything we do. We teach and model the values of:

- **Knowledge** – Fostering curiosity and a love of learning in all areas of the curriculum.
- **Inclusivity** – Celebrating diversity and ensuring everyone feels welcome and valued.
- **Nurture** – Providing a safe, supportive environment where children can grow and thrive.
- **Determination** – Encouraging resilience and a growth mindset in learning and life.
- These values are visible in classrooms, the playground, and through the relationships between staff, children and families.

House System

Children are part of one of three houses:

Bignold House	Red	Named after Miss Eileen Bignold, the School's Founder
Francis House	Green	Named after Mrs Isabel Francis who taught at Steephill for many years
Ford House	Yellow	Named after Canon Alfred Ford, Rector at St Mary's for many years

House points are awarded for effort, achievement, helpfulness, and positive behaviour. The house system fosters community spirit, friendly competition, and pride.

Inspection Reports and Action Plans

A copy of the most recent ISI report and the School's Action Plan may be requested from the School Office. It can also be accessed from the School's website, www.steePhill.co.uk, or by logging onto www.isi.net and searching for SteePhill.

Policies

The School has a comprehensive set of policies in place. The main policies are available on the school website.

The School Day

Registration

All children should arrive at school between 8.30am and 8.45am (unless they are already in Before School Care).

Morning registration **closes at 8.50 am**

Timing of the School Day:

8.50am	Registration closes
8.50am	Learning
10.20am	Assembly
10.35am	Breaktime
10.50am	Learning
12.00pm	Lunch time
1.00pm	Afternoon Registration
1.05pm	Learning
3.00pm	EYFS Finish
3.15pm	KS1 Finish
3.30pm	Lower KS2 Finish
3.45pm	Upper KS2 Finish

Attendance and Punctuality

- All absences must be reported to the school office by **8.45am**.
- **Holidays are not permitted during term time.**
Consistent attendance is vital to ensure academic progress and personal development.

School Lunches

All our school lunches are freshly prepared on site using locally sourced ingredients. Our school garden often provides produce used in meals, helping children understand food origins and healthy eating.

Snack Time

Please provide your child with a piece of fruit (or vegetables if they prefer) in a named pot ready to be eaten. We encourage children as part of our focus on 'Healthy Lifestyles' to bring a water bottle to school so that they can drink water throughout the day. These bottles can be left in class for refills. Please ensure that only 'water' is provided in these bottles.

Medicines and medical needs

In case of any illness or head injury you will be notified by text together with any action taken or needed. Medicines require signed permission from a parent stating the required dosage.

Community and Parental Engagement

We believe that a school is a community which is built together by staff, children, and parents. Your presence and participation matter.

We welcome parents at events, performances, sports days and more. Our parent body, FOSS (Friends of Steephill School), runs social and fundraising events. All parents automatically become members when they join the school community.

We also maintain strong ties with St Mary's Church, celebrating Harvest, Christmas, Easter and Leavers' Services there.

We regularly contribute to the Community Cupboard (our local food bank), helping children understand the importance of giving back.

Communication

Strong and open communication between school and home is essential. We send weekly newsletters, emails, and Eduspot ParentMail to keep you informed. We welcome ongoing dialogue and encourage parents to speak to us with any concerns or queries.

Car Parking and dropping children off

There is a limited amount of parking space available in the lane outside the School. If you do park there, please park after the yellow zig-zag lines and well over to the left.

Please do not park before or on the zig-zag lines as this is very dangerous should emergency exit or entry be required and also prevents people and delivery vehicles entering and leaving School during the normal course of business.

The School has an arrangement with St Mary's Church that parents may use the Church car park and walk up to the gate opposite the school entrance.

In the morning we operate a drop-off system for older children. Parents may drive along the lane to the bottom of the School drive and drop off their children. We have staff on duty to supervise the children until 8.45am. In order to facilitate this please do not park in the lane between 8.30am and 8.50am.

Your co-operation in parking with consideration will be very much appreciated.

Uniform and Equipment

- Pencil cases and all school supplies are available from the **school office**.

Uniform and Equipment List

Hair and appearance

Hair should remain its natural colour. Long hair must be tied back. Elastic hair bands must be plain navy or black; plastic clips, especially 'claw clips', should be avoided. Make up, including nail polish and false nails and permanent or temporary body decoration, is not permitted.

Watches

Upper School children may wear an analogue or digital watch, which must be clearly named. However, watches with audio or video recording features or internet capability (even if disabled) are not permitted.

All watches must be non-garish in colour and removed before sport activities.

Earrings and jewellery

Earrings are allowed but not encouraged. Children with pierced ears may wear a small pair of plain gold or silver studs in the earlobe. All earrings must be removed for all sports activities for safety. If children are unable to remove their own earrings, then please remove them at home on PE days. Please ensure that ears are pierced only at the start of the long summer holiday. No other jewellery may be worn; however, if there is a religious reason for wearing jewellery, please contact the school office to discuss this.

Beginning the Year: Meet the Teacher

At the start of the Autumn term, we host a **'Meet the Teacher'** event. This is an opportunity for parents to meet the class teacher, understand year group expectations and learn about the daily routines, curriculum coverage, and ways you can support learning at home.

The Curriculum

Our curriculum is carefully designed to be ambitious, inclusive, and enriching. We aim to provide a broad and balanced curriculum with strong foundations in core subjects and creative opportunities across the year.

We follow the CUSP Curriculum for:

- English (including Reading, Writing, Grammar, Punctuation and Spelling)
- Science
- History and Geography
- Music
- Art and Design & Technology

For Mathematics we follow White Rose Maths.

For Computing we use the Twinkl scheme and Project Evolve for ESafety.

For PSHE and RSE, we follow the PSHE Association framework, and for RE, we use the Twinkl scheme.

All children in EYFS and KS1 follow the Animaphonics scheme.

Languages:

French and Spanish

Children are given a good foundation in both of these languages, including weekly Spanish lessons delivered by a specialist teacher.

Physical Education/Games

All KS2 classes have 2 lessons per week taught by a PE specialist.

All sports are supported by clubs after school and also by matches with other schools and an annual Sports Day.

Swimming

Children in Class 3 go swimming every Friday at Cascades Leisure Centre.

Assessment

On-entry assessments are carried out when children start in Preschool and again when they transition into Reception. These inform the teaching and learning that is planned for the children. Teachers and Key staff members record formative assessments on Tapestry throughout the EYFS which are shared with parents.

At the end of Reception, Emerging or Expected judgments are made against the Early Learning Goals which are form part of their end of year report.

We use **PiXI** to support assessment and teaching. Termly assessments take place in KS1 and KS2:

- **Reading**
- **Grammar, Punctuation and Spelling (GPS)**
- **Mathematics**

These help us track progress, identify next steps, and personalise learning for each child.

Leadership

Developing children's character and nurturing leadership skills is fundamental to the school's ethos. Forest School is part of our outdoor curriculum which is an ideal promotion of this. In addition children are invited to take part in festivals and competitions.

Enrichment and Extra-Curricular Clubs

Our extra-curricular programme offers a wide selection of clubs across the year, tailored to pupil interests and skills. These run in a progressive structure:

- **Bronze (Autumn Term)**
- **Silver (Spring Term)**
- **Gold (Summer Term)**

From sports to music, drama to gardening, there's something for everyone to explore and enjoy.

Parental Involvement and Expectations

We deeply value parental support. Your role includes:

- **Daily Reading:** Especially important in early reading development and beyond.
- **Home Learning:** Supporting weekly tasks and encouraging good study habits.
- **Online Learning Platforms:**
 - KS2 use **Atom Learning**
 - KS1 and KS2 access **Spelling Shed**

These platforms complement classroom learning and help consolidate skills.

- All children and parents must **sign an agreement** committing to safe, responsible online behaviour.
